PRESENTER
Marianne is the Clinical Nurse Consultant in Wound Management for the Gippsland region. Her role is a Department of Health Regionally funded role which aims to provide training, education and access to clinical support for District Nursing Services and Public Sector Residential Aged Care Facilities across the Gippsland Region. Prior to this she was the Manager for Wound Management and Stomal Therapy Services at Latrobe Regional Hospital for 10 years.

Marianne Cullen has been teaching and managing wounds since 1993 when she attended the very first Wound Foundation of Australia Wound Management Series. Since this time she has completed a Graduate Certificate in Wound Management, a Graduate Diploma in Nursing Education and a Master of Nursing with a research project which evaluated the assessments of patients admitted with leg ulcers over a 2-year period.
